Propel Fuels, Inc. Volume Rebate Program Agreement

OVERVIEW

Propel Fuels, Inc. is proud to provide fleet customers with the opportunity to participate in our Volume Rebate Program (VRP). The VRP is a free and simple offering that rewards fleets for their use of renewable fuels by rebating purchases from Propel Fuels on a cents-per-gallon basis as qualifying volumes are met.

PLEASE NOTE: At this time, this offer is exclusive to customers paying with a Propel CleanDrive Fleet Card from Wright Express.

VOLUME REBATE PROGRAM TIERS

The table below outlines the two tiers of Propel's VRP, including the minimum monthly gallons required to qualify for each tier and the corresponding per-gallon rebate that would apply to all gallons purchased during that given month.

Tier	Volume (Gallons)	Rebate
1	500 – 999.99 gallons/month	\$.03/gallon for all gallons purchased that month
2	1,000+ gallons/month	\$.05/gallon for all gallons purchased that month

VOLUME REBATE PROGRAM TERMS

Please read the following items carefully as they apply to the Volume Rebate Agreement:

1. Fleets enrolled in the VRP that purchase 500.00-999.99 gallons of fuel in one billing period will automatically receive a rebate of \$.03 per gallon for every gallon purchased during that billing period.
2. Fleets enrolled in the VRP that purchase 1,000.00+ gallons of fuel in one billing period will automatically receive a rebate of \$.05 per gallon for every gallon purchased during that billing period.
3. Enrolled fleets are not committed to purchasing a minimum amount of fuel from Propel; however, if a billing period occurs where the fleet does not purchase at least 500 gallons of fuel, no volume rebate will be applied to that billing period.
4. Enrolled fleets are not committed to any one tier; the volume rebate rate is automatically adjusted if a fleet's qualifying gallons purchased vary between the two usage tiers or fall below the minimum gallons required to receive a rebate.
5. Any realized savings will be applied in the form of a rebate line item on the customer's Propel CleanDrive fleet card billing statement.
6. Purchased gallons required to qualify for any volume rebate will remain static with no prorated gallon calculations for longer or shorter months.
7. All billing and reporting related to WEX card purchases of Propel fuels will be handled by WEX. If a fleet has a billing discrepancy or questions related to their WEX card purchases or statement, they should contact WEX directly at the 800-number listed on the back of their Propel-branded WEX card.
8. Participation in Propel's VRP does not affect any credit card terms or conditions previously agreed upon between the customer and WEX.
9. Propel will reserve the right to change, modify, terminate or otherwise restrict the terms, features and benefits of this program and/or decline program participation at any time for any reason.

By signing below, I am indicating that I have read and agree to the terms put forth above and am confirming my intention to enroll in Propel Fuel's Volume Rebate Program.
